

**STRATHORE-MILLAR
INVITATIONAL
SHORTHORN
SALE**

THURSDAY, OCTOBER 1, 1970

**At Carlan Enterprises
PORT PERRY, ONTARIO**

ON THE COVER . . .

Strathore Lady Violet 2nd was bred by Strathore and is now one of the outstanding brood cows in the Carlan herd. She looks forward to seeing you at Carlan Farm for this annual sale, Thursday, Oct. 1, 1970.

Females like these are typical of Strathore and Millar Farms. All of these sold in previous years and averaged \$700, certainly an investment price for any breeder.

STRATHORE--MILLAR

Invitational Shorthorn Sale

With Special Consignments from Roslyn Flett, Massey
Ferguson Farm and Carlan Enterprises, Ltd.

THURSDAY, OCTOBER 1, 1970

TWO DAYS BEFORE THE LOUADA DISPERSION

At Carlan Enterprises

Port Perry, Ont.

General Sale Information

TIME AND PLACE: Thursday, October 1, 1970, at Carlan Enterprises, Port Perry, Ont. Sale starts at 12:30 p.m. From sale headquarters take Highway 401 to Thickson Rd. Go north to Highway 7 and then five miles east to the farm.

LUNCH: Will be available.

SALE HEADQUARTERS: The Carousel Inn, Highway 401, Oshawa, Ont.

AUCTIONEER: Dick Kane, Wisner, Neb.

GUARANTEE: All cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

HEALTH: All animals will be sold to comply with the regulations of any province or for entrance into the United States.

TERMS: The terms of the sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions and transfer information. All announcements at sale time, written or oral, supersede any written material in this catalog.

LIABILITY: The consignors to the sale, their helpers or employees accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, ringmen, clerks and others, were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the animals. The sale of each animal constitutes a contract between the buyer and seller of each lot although the sale manager cannot be responsible for fulfillment of that contract. All cattle are at the risk of the new owners as soon as bid off but every effort will be made to provide for their safety and well-being.

TELEPHONES: John Naughton, Mgr., Carlan Enterprises, (416) 985-3333.

DELIVERY: The consignors will be happy to hold the cattle free of charge for a reasonable length of time. Keep in mind that all purchases are the responsibility of the new owner and we strongly recommend that they be insured. Group shipments can be arranged with Canadian breeders who will be showing at the International Livestock Exposition in November.

FURTHER INFORMATION: The owners or sale manager will give you their critical appraisal of any cattle listed in the auction.

MAIL BIDS: We hope it will be possible for you to attend the sale. If it is not, there are many competent and reliable representatives to whom bids may be sent. Each of the following will attend the sale.

E. H. Stoltz, executive secretary, Canadian Shorthorn Ass'n, Gummer Bldg., Guelph, Ont.

C. D. Swaffar, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.

Harris Simons, The Shorthorn World, 16 South Locust St., Aurora, Ill.

W. L. Elliott, secretary, Ontario Shorthorn Club, R. 4, Guelph, Ont.

Dick Turner, Free Press Weekly, Toronto, Ont.

Dan McCoy, The Shorthorn World, 16 S. Locust St., Aurora, Illinois.

Bert Pepper, Neustad, Ont.

Bill Walker, Unionville, Ont.

INSURANCE: Will be available at the sale.

PREMIUM ON U.S. FUNDS: The U.S. dollar in Canada is at a premium of roughly three per cent. This exchange differential more often than not pays the buyer's cost of getting the animal home.

TRANSFER OF PEDIGREES: Following the sale the consignors will provide at their expense pedigrees transferred to the name of the new owners in the Canadian Shorthorn Herd Book. Further transfer to the U.S. herd book is at the expense of the new owner.

SOCIAL HOUR: Join your hosts at a social hour and dinner at 6 p.m., on Wednesday, September 30 at the Carousel Inn, Oshawa.

WELCOME TO THE ANNUAL STRATHORE-MILLAR SALE

A hearty welcome to our fifth annual sale. We always enjoy the chance to host old friends and new guests at this event and look forward to its coming each year.

This year we are again joined with strong drafts from the herds of M F Farms and the Roslyn Flett Farm. For the first time we are also having a consignment from Carlan Enterprises, Ltd. and it is a very special one. The relatively new Carlan herd offers some highly selected females and three excellent bulls. To better acquaint you with this great new herd, the sale will be held at Carlan, Port Perry, Ont. Plan to join us early to take the opportunity to inspect the great brood cows which make up the Carlan herd.

As always the reliable consignments from Strathore, Millar, Flett and Massey Ferguson will provide some of the best doing females available anywhere. Many of these females are served to polled bulls.

Plan now to attend this fifth annual sale with a new look. Make a great Shorthorn week of it by joining us Wednesday evening, September 30, for dinner at the Carousel Inn, Oshawa, attend the sale on Thursday, and complete a great weekend by attending the Louada Manor Dispersion, October 2 and 3, just 40 miles away.

These three heifers sell from Massey Ferguson Farm, Milliken, Ont.

From the Sale Manager . . .

There's a new look this year for one of Ontario's best established sales. Several changes have been made with an eye toward providing Shorthorn and Polled Shorthorn breeders with a first-rate offering.

First there's a new location. The sale has been moved from Millar Farms to Carlan Enterprises, Port Perry, Ont. The Carlan herd is a relatively new one and no more beautiful farm exists in the business. The herd has been assembled with great care from the leading farms of Canada and the United States. Their herd bulls are among the best in the business and you're especially sure to like the great, young Louada Pandarus. Carlan has gone all-out to offer you both heifers and young cows of the first quality.

Your old friends — the Pimmetts and Millars — have come up with easily their best to date. Their cattle have a reputation of doing exceptionally well for others and many have produced top show winners for their new owners.

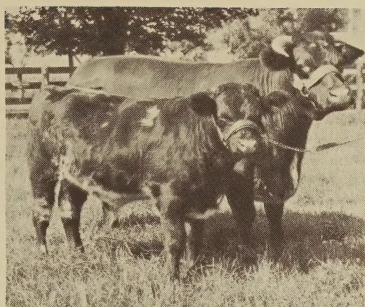

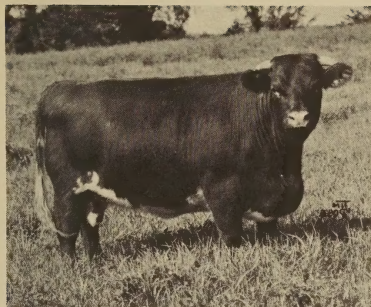

As usual there will be strong drafts from both Massey Ferguson Farm and from Roslyn Flett and you can count on their quality.

For years, this has been primarily known as a female sale. This year, however, you can choose from eight bulls and they're among the best to sell this fall. Bulls like Strathore Kirkness, Strathore Sterling and Carlan Navarre can head the best herds anywhere. They deserve very serious consideration.

This year too, there are more polled cattle selling than ever before. And, you can plan on the service of Paragon of Denend x, Sangamon Count Fleet x, and M F Farm Diamond 27Y x, three of the best young polled bulls in Canada.

There's something for everyone this year and you'll want to be on deck early to make your selections. Remember too, this sale is two days before the big Louada dispersion at Peterborough, Ont., and is less than an hour's drive away. You can make both sales with a minimum of time and effort. It will be a great weekend and you should be there. The quality will not disappoint you.

Strathore Cherry Blossom by Louada Bequest sold among the tops of the 1969 sale to Frank Bullock, Simcoe, Ont. She had been first at Peterborough and junior champion at Ottawa.

Strathore Waterloo Fairy sold to Carlan Enterprises, Ltd., in 1967 and produced this bull calf by Strathore Power Drive.

Great Females from Strathore -- Millar

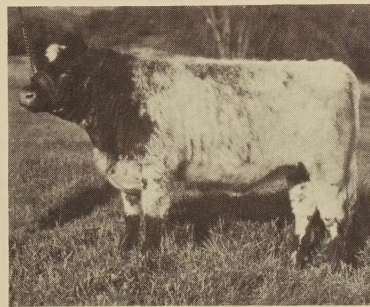

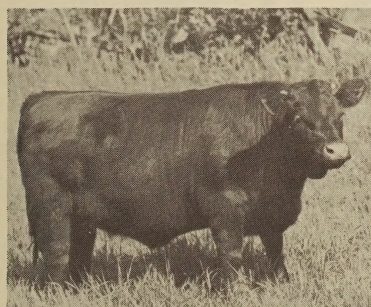

Here are just a few of the great females that have sold from Strathore and Millar Farms in the past. They have gone on to conspicuous success in the hands of their new owners.

Remember that the dam of the 1963 International grand champion female came from Strathore. And the granddam of the 1962 International supreme champion bull was bred and born at Strathore.

Today Strathore females occupy significant places in leading herds of the breed like Louada, Melbourne, Windholme, Acadia, Carlan, Ettrick and so many more. They have returned their investment many times over for these astute breeders and they'll do the same for you.

The buying opportunities have never been stronger than this year, and the guest consignors are determined to match that high standard of quality.

You'll find what you're looking for in the Strathore Invitational Sale October 1.

Strathore Bonnie Violet by Lakeview Apogee topped the 1966 sale females at \$1,535 to Acadia Farms, Northfield, Ohio.

Saraguay Estelle 20th x topped the 1967 sale to Windholme Farm, Orange, Va. She was part of the Millar Farms draft.

Clipper King of Bapton x weighed 2,670 pounds as a mature bull. He is the grandsire of Paragon of Denend (P).

PARAGON OF DENEND x — The most recent young imported polled bull from Scotland. Note he is a grandson of both Clipper King of Bapton x and Constellation of Bapton x, AAA, as well as from Thieman's great Victoria cow family. His younger maternal brother is stock bull in the Upsall herd following Constructor x, the only polled son of Bapton Constructor. After several years' search for a polled bull, we feel he is the best headed, best boned, best legged bull we could find. He is from the same Victoria cow family as Captivator of Bapton x used at Sutherland Farms, Prospect, Ky. His dam is now at Gerald's Turton's Upsall Castle herd in Scotland where he says she annually produces his best calf. Paragon x is now siring his second crop of calves. They are, we believe, the most uniformly good quality reds and dark roans since the days of the Ransom 23rd and Vice Consul cattle at Mapleshade in the 1930's. Each succeeding one is just as good — way beyond our expectations. Hop on our bandwagon — must of the bred females selling carry his service and his first calves sell.

LAKEVIEW APOGEE — Probably no bull living today carries a stronger concentration of Cruggleton, Kirkton and Calrossie — great blood lines all combined in one pedigree. There's no wonder he has the stock bull look written all over him. His first calf old enough to show topped the 1966 sale females at \$1,535 to Cyrus Eaton's Acadia Farms, Northfield, Ohio, after being grand champion female at Ottawa. Most of our 1968 show herd was by him, and included the first-prize get-of-sire, second-prize group of four, reserve junior champion female, Strathore Waterloo Starlight, and Strathore Rosewood Beauty 10th that stood second to the Canadian National Exposition grand champion female and topped our 1968 sale at \$975 to R. A. Miller, Marmora, Ont., who was so impressed with his get that he purchased one-half interest and possession. Lakeview Apogee was the first stock bull to head the new herd the Millars are founding at Marmora, Ont.

Bonnie Millar is with Cruggleton Flashback, reserve grand champion of the Canadian National Exhibition and top of the 1966 Strathore sale.

CRUGGLETON FLASHBACK — Sold in our 1966 sale at \$2,400 for two-thirds. Undeclared two-year-old of 1967, he won three supreme champion banners, the only animal to win more than one of the ten presented by the Ontario Club. His first calf, Strathore Lady Violet 2nd, was undefeated yearling for Carlan Enterprises, Agincourt, Ont., in 1968. Recent visitors readily claim them our greatest to date. Backed by the strongest of Bapton blood on his sire's side and Cruggleton Garvie, Cruggleton Elvin, Pentland Firth, and Cruggleton Warbond by Cruggleton Perfect, is it any wonder we believe he would have to be called one of the best bulls we have seen in the last thirty years?

LOUADA BEQUEST — Not only one of the biggest sons of Bapton Constructor, but one of the best, he undoubtedly has done more for our herd than we ever thought any bull could do. Louada Blood Royal, by Louada Marshall, was the first calf from this great family born at Louada and also produced the \$4,600 Louada Commodore. One of her sisters was the dam of the \$13,000 International champion Louada Bomber, another maternal sister sold at \$5,000 to Northwood. Two of his very best daughters sell, and anyone wishing to mate an open Strathore or Millar heifer to him may do so artificially. We still have a good supply of frozen semen. Some thought Bequest a little big for his time — today he is most cattlemen's answer.

He has caused more excitement than any young sire ever purchased to head the Strathore herd. Sired by Sangamon Bulldozer x, senior champion 1966 International, that was generally considered as good a bull as ever walked in Chicago, but shown before the day of the big bull had really arrived. His sire's first get to be shown won both the New York State Fair and the Eastern National. He is from the great Cruggleton Averne family as is also the new junior stock bull at Sangamon by same sire and from his maternal sister. Note Cruggleton Assheton is from the Averne cow family and helps strengthen the great Cruggleton blood backing most all Strathore productions and in polled form! See him on display sale day!

STRATHORE GARVIE — A full-brother to Lady Violet 2nd pictured on the front cover of catalog the year Carlan purchased her and showed her undefeated in class 1968 including the Canadian National Exposition. This picture hardly does justice to a great young prospect with a stock bull look written all over him. Remember his sire topped our 1966 sale at \$2,400 for two-thirds interest and went on to undefeated two-year-old of 1967. Note his granddam by Canadian National Exposition reserve grand champion is from same dam as 1951 Royal Winter Fair supreme champion Strathore Duthie Violet. One-half interest is offered, as buyer's choice with "Sterling". Never have we had a better pair of young prospects at once, never a better pair from one sire. Backed by as strong a lineup of sires as a pedigree can hold, he also has the favorite cow families from Millhills, Lakeview, Louada and Strathore. Show rights retained through Chicago.

Roan, T. E. Wilson

STRATHORE PRINCE x — You'll like this great polled son of Paragon of Denend (P). He is very thick, smooth, still rugged with a stock bull's head. He started R.O.P. at 205 days weighing 620 pounds. The first son of "Paragon x" also started at 625 pounds, while the first son of "Paragon x" sold, Strathore Paragon x, one-half interest to Danny Dunn of Iowa at four figure price. His dam is one of those good daughters of Louada Bequest.

RAMROD BUTTERCUP — From the renowned Kair Buttercup family and sired by Sandoon Patrolman whose sons hold the highest average R. O. P. of any Shorthorn bull in Ontario to date. He was by a Perth class winner and out of one of the best females ever bred at Sandoon. Note too, both a son of Kelburn Great Event and O. A. C. Ransom 23rd. Will have calf at foot by sale day to Lakeview Apogee, whose daughters have topped three of our four annual sales.

Louada Bequest, grand champion bull at the 1961 Peterborough Fair, leads the livestock parade of Champions followed by his first two daughters, grand champion Strathore Sweet Violet 10th and Strathore Waterloo Fairy Res, also a grand champion female. Another daughter, Fairy Violet 2nd was junior champion female the same day. Grouped together, they won the breeder's herd award.

LOUADA PANDARUS — This son of Denend Constellation from the Calrossie Princess Royal family was purchased privately from Louada last fall. This family produced Louada Princess Rosie, the \$3,000 top of Louada's 1967 sale going to Fernwood Farm. Rosie was champion female at the Eastern National the same year. An infusion of the blood of Blood Royal 33rd is brought in through the granddam's sire, Louada Randolph. He was out of a daughter of Blood Royal 33rd that was full sister to Louada Bonaparte, he going to the Duggan herd in Argentina for \$30,000 in 1959. We have great confidence in this young bull. Several females carry his service.

BE OUR GUEST

Be the guest of Carlan Enterprises at a buffet dinner at 6 p.m. Wednesday, September 30, at the Carousel Inn, Oshawa. The weather should be beautiful in Ontario at this time of year. Prior to dinner, weather permitting, enjoy the lawn of the old Victorian house that has become the Carlan trademark.

TRAIN AND PLANE INFORMATION

Air Canada, United and American airlines have many flights a day between Chicago and Toronto, leaving from O'Hare Airport.

In the eastern part of the country, there are direct flights to Toronto from New York and Cleveland. Excellent service also from the Canadian West and East.

You can take a railway sleeper out of Chicago to Toronto and return the same way. Trains generally leave Chicago about 8 p.m. and arrive in the morning. The train from Toronto to Chicago leaves about 10 p.m. Since schedules are subject to change, please check exact departure times.

The present super-highway system makes the drive a good deal easier than ever before. We would like to point out, however, that the cost of a round trip airline ticket from Chicago-Toronto is only about \$55. Rail is about the same. Traveling alone, it is difficult to beat this by car.

There is good service but there are changes in schedules and we shall not attempt to give you times here. If you have traveled to Toronto by train and find that you can make a good connection to Oshawa, it will probably be best for you to do so because it is a fast train.

Those arriving in Toronto by plane can drive to the farm by taking Hwy. 401 to Oshawa, then north on Thickson road to Hwy. No. 7, turn east, and go east 5 miles to the farm. If you are to encounter a long delay call John Naughton (416) 985-3333, and we will arrange other transportation for you.

**All train and plane information given here is approximate.
Be sure to check with your ticket agent for exact times.
Because schedules change, we cannot quote exact times.**

STANDARD GUARANTEE

Endorsed by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

NEW LOCATION FOR THE STRATHORE INVITATIONAL SHORTHORN SALE — OCTOBER 1

It's at Millar Farms, Keene, Ontario

Because of unforeseen legal reasons, Carlan Enterprises is forced to withdraw their draft from the Strathore Invitational Sale. The sale will be held on the same date, but it will be at Millar Farms as it has been in the past. Millar Farms is about a 10-minute drive east of Peterborough, Ont. Take Highway 7 east from Peterborough to the old Keene Road and then south past Strathore to Millar Farms.

The sale is just two days before the Louada Dispersion. Use the same hotel for both. Sale headquarters is the Rock Haven Motel Peterborough.

Each consignor — Strathore Millar, M-F and Roslyn Flett — are adding special attractions to make up appropriate numbers. Accordingly, the offering will be even stronger than originally planned.

Be the guest of the sale consignors at dinner the night before the sale at Millar Farms.
